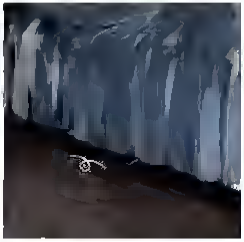
You are writing at your desk but you drop your pen when twirling it around, and it rolls underneath the bed



A hand from underneath the bed helps you pick up the pen

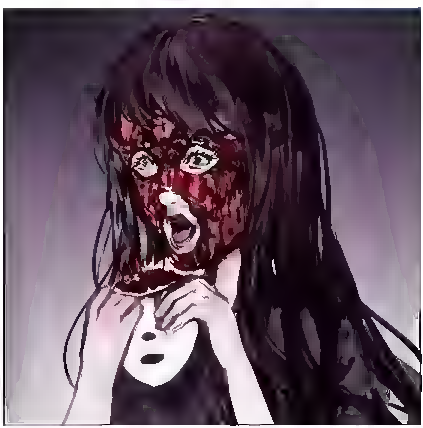
Drinking on the bus

But the bus suddenly brakes...

When trying on new clothes in front of the mirror

After turning around once you find your reflection in the mirror did not turn back.

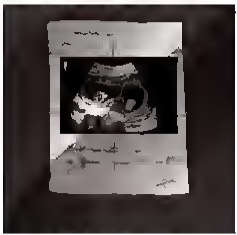
Accidentally falling asleep with a facial mask on



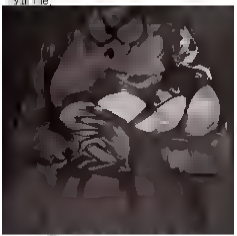
The next day when the mask is taken off you find that your own skin is ripped off together with the mask

I am a food e and love to eat

But I fin y e the she ve p en y th me



the X ray clearly showed twins

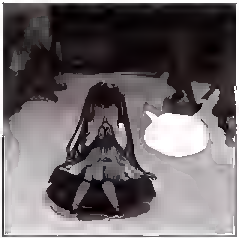


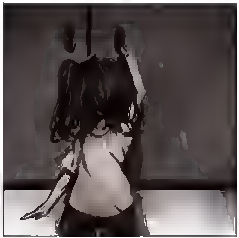
but he does not know why only gave birth to me

I was asked by the dormitory lady
"Are the four of you in the same bedroom?"

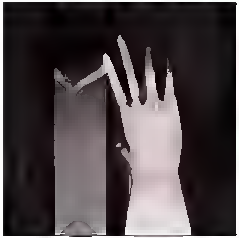
I casually answered "Yes"
but... later remembered
we only have three people

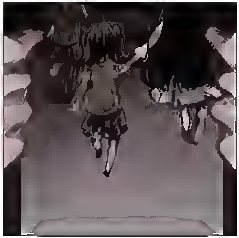
Playing hide and seek with friends





While hiding in the closet you want to peek outside to observe the situation

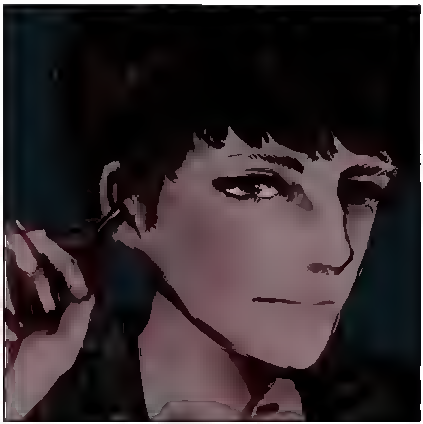




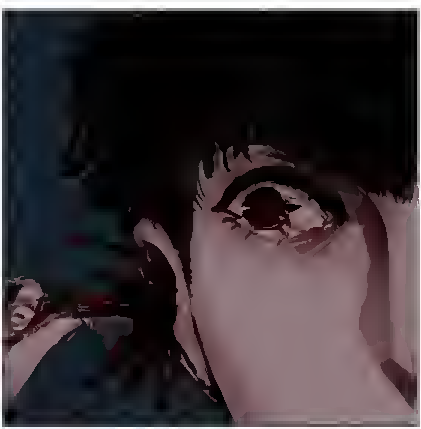
But seeing your friend holding hands with another you

Wanting to pull off the bit of peeling skin from the side of your fingernail...

When cleaning your ear



The cotton bud accidentally



Out of these short horror comics, which one do you readers fear the most?

恐怖漫画短篇集合

A Collection of Horror Comics
